Welcome to your Tesco Pet Insurance policy

This policy is a legal contract between you and us, the policy wording and policy schedule make one document and must be read together. Once you are happy that the information is correct and that the cover is what you need please keep your policy and schedule together.

Our part is:
• that we’ll provide the cover set out in this policy for the policy period set out on the policy schedule.

Your part:
• you must pay the premium as shown on the policy schedule for each policy period;
• you must meet the conditions set out in this policy.

If your part of the contract is not met, you may not have any cover, we may turn down a claim or increase the premium.

We can choose not to offer renewal of a policy, if we do, we would let you know at least 21 days in advance of your renewal date so that you have enough time to make alternative insurance arrangements.

Your pet’s breed

We insure cats and dogs. The information you have provided for your dog is important and we’d just like you to check the information you have provided is correct.

**Pedigree:** If you told us your dog is a pedigree, this means that the parents are the same breed (you don’t need Kennel Club registration documents).

**Crossbreed:** If you told us your dog is a crossbreed, this means that the parents are two different breeds.

**Mixed breed or mongrel:** If you told us that your dog is a mixed breed or mongrel, this means that the parents were a mix of three or more breeds or were unknown.

**Pedigree designer dog:** If you told us that your pet is a pedigree designer this means that parents are the same designer breed (e.g. both labradoodles, crossbreed designer dogs).

If you told us that your pet is a crossbreed designer dog, this means that parents are two different breeds (e.g. labrador and poodle).

Words with certain meanings

We need to use some words that have a certain meaning. So that you can see them easily and look them up if you need to, we show them in **bold** type.

**Pet/pets:** The cat(s) or dog(s) named in **your** policy schedule.

**Policy period:** A period of 12 calendar months as detailed on **your** policy schedule and any further period of cover which **we** offer **you** and which **you** accept and pay for.

**Vet:** A qualified veterinary surgeon currently registered to practice in the country in which any examination, consultation, tests, x-rays, surgery, medication, or care is provided.

**Vet fees:** Fees charged by a **vet** practice for examinations, consultations, tests, x-rays, surgery, care, or prescription medication as provided by a **vet** at the time of **your** visit or purchased using a prescription a **vet** provides.

**Vet fee limit:** The amount of cover **you** have chosen. This is shown on **your** policy schedule.

**We, us, our:** Royal & Sun Alliance Insurance Ltd.

Vet fees

Your policy schedule shows you which cover you chose for your pet(s). The conditions and exclusions shown in your policy apply to each pet we agree to cover. The following information is included as part of the terms and conditions of your cover.

Treatment periods

Accident & Injury or Standard Cover
We pay vet fees for 12 months from the first date of treatment or until your vet fee limit shown on your policy schedule is used up, whichever happens first. So that we can give you 12 months of treatment you will need to renew your policy with no break in cover and pay your premiums. Once we have paid for 12 months of treatment or the vet fee limit is used up, you will no longer have cover for that injury or illness. Your vet fee limit can be used for treatment your pet needs for new health issues.

If your vet gives advice but carries out no treatment, the 12 month period doesn’t start.

Extra Cover
We pay vet fees from the first date your pet has treatment for each separate or connected illness, or accident. Payments carry on until the vet fee limit shown on your policy schedule is used up. There is no time limit for how long payments will be made with this cover. So that we can pay up to your vet fee limit you will need to renew your policy with no break in cover and pay your premiums. Once the vet fee limit is used up you no longer have cover for that injury or illness. The vet fee limit can be used for treatment your pet needs for new health issues.

Premier Cover
We pay vet fees from the first date your pet has treatment for an illness or accident. Payments carry on until the vet fee limit shown on your policy schedule is used up in each policy period. This applies as long as we can continue to offer cover, your premiums are paid and the policy is renewed each year without a break in cover. If we offer and you accept our renewal invitation, your chosen vet fee limit will be available to use again in the next policy period. This cover includes cover for both ongoing and short term health issues.

All cover types
We can choose not to offer renewal of a policy, if we do, we will let you know at least 21 days in advance of your renewal date so that you have enough time to make alternative insurance arrangements.

- **We** don’t pay for food (even when prescribed by a vet).
- **We** don’t pay for the treatment of, or training for diagnosed behavioural problems.
- **We** don’t pay for treatments, tests or procedures which do not treat an illness or injury, or that are preventative or cosmetic, including spaying and castration or which are connected with your pet being pregnant, giving birth or rearing puppies or kittens. **We** also do not pay for complications that result from any of these.
- **We** don’t pay for home visits or visits to your vet outside of normal surgery hours for treatment unless your vet considers your pet can’t be moved or couldn’t wait until normal surgery hours to be seen.
- Admin fees your vet might charge or costs charged by a vet to fill or provide a prescription.
- **We** don’t pay for supplements and probiotics, these are products you can purchase without a prescription. **We** don’t pay for these even if recommended by a vet. They are made from foods or biological products. Joint supplements, nutraceuticals, vitamin and mineral supplements, and organ supplements are all examples of these products.
- **We** don’t pay for the cost of completing claim forms, obtaining receipts, invoices or reports required as part of the claim.
- **We** don’t pay claims where the last date of treatment was more than 12 months ago.
- **We** don’t pay for parvovirus, hepatitis, distemper, leptospirosis in dogs or feline leukaemia, cat flu or infectious enteritis in cats if you have not had your pet vaccinated against them and kept the vaccinations up to date.
- **We** don’t pay for medication that is not prescribed by a vet or for medication that is not purchased using a prescription a vet provides.

All cover types – what we need you to do, to help us help you

**We** provide a fast and efficient service to make sure payment is made as quickly as possible. To help us to do this, please read this section, it tells you about the information we need.

To make a claim please visit [www.tescobank.com/pet-insurance/making-a-claim/](http://www.tescobank.com/pet-insurance/making-a-claim/) or phone us on 0345 078 3860.

Please tell us if it’s a third party claim form you need.

Please tell us the policy number that is printed on your policy schedule every time you contact us.

Parts of this form will need to be completed by your vet, please make sure that the form is signed by you and your vet and that you tell us if you want us to make payment to you or straight to your vet. We can arrange to pay most vets directly. Please ask your vet if they are happy to do this, and if we are able to, we will take care of the rest.

Please send us your claim form within 90 days of the first treatment for each new illness or accident.

If your vet tells you that your pet will need treatment over a few visits you do not need to send each invoice to us separately, you can send them all to us with one completed claim form within the 90 day period.

You need to keep all invoices and receipts that your vet gives you in connection with your claim and send these along with a complete medical history for your pet to us. This must be a record of all visits your pet has made to a vet and this information can be obtained from each vet practice your pet has attended.
If your pet needs ongoing treatment, you can send in further claims including updated medical records showing the treatment your pet has received, invoices and receipts, every 3 to 6 months. If any information we have asked for is not provided it will delay your claim. If your pet needs to be treated by a referral vet, and it is not for emergency treatment, you can use the following ways to find your nearest vet from our preferred referral vet network:

• your usual vet will have details and can let you know which referral vet from our preferred referral vet network is closest to you;
• details of the vets in our preferred referral network can be found on www.tescobank.com/pet;
• you can contact the Tesco Vet Referral Helpline on 0330 100 6460;

If you choose a referral vet from outside our network, you will need to pay £200 of the referral vet bill yourself. This amount is in addition to your policy excess.

If your pet needs emergency treatment for a situation that if not resolved immediately will lead to a loss of life or cause a serious threat to the present or ongoing health of your pet you will not have to pay the additional £200 excess regardless of which referral vet you visit.

Treatment by a referral vet occurs when your usual vet advises you that you need to go to another vet for a certain procedure, for example a surgery or treatment. You might be asked to visit a different veterinary centre, hospital, practice, or another branch of your existing practice. After a referral visit and any required treatment has taken place, it is normal for future visits to be with your usual vet.

You need to agree that your current, previous or referral vet may release information or records regarding the medical history, including test results for any pet insured with us. If your pet is referred to another vet, we need copies of any reports the referral vet completes.

We may ask your vet, to provide an opinion on whether conditions are connected, and the date changes in the health or behaviour of your pet started. While we are providing help we may need to release information about your pet insurance policy to any vet who has treated your pet or is about to treat your pet.

If there is any amount other than the excess that we can’t pay because the costs are not covered by your policy, we would tell you about this. You need to pay your vet yourself for these.

Please make sure you read the policy conditions, claim conditions and exclusions.

## What we need you to do, to help us help you

To tell us you need help please email us at **tesco.petclaims@uk.rsagroup.com** or call us on **0345 078 3860**.

We need dates, documents and receipts for expenses to support **your** claim.

Any expenses outside of the UK will need to be paid by **you** first. We then pay **you** in sterling at the current rate of exchange.

If **you** claim for a delay caused by **your** transport company please provide confirmation from them as to the cause and length of the delay.

Please make sure **you** read the policy conditions, claim conditions and exclusions.
Conditions that apply to your policy

These conditions apply to the whole policy and must be met for any pet you insure with us. If the conditions are not met your policy might be invalid.

About you and your pet

• Your pet(s) live with you at your home address;
• You are the owner and keeper of each pet;
• You and your pet(s) live in the UK, Isle of Man or Channel Islands;
• You have never had an insurance policy declared void or cancelled by an insurer.

Both dogs and cats

• No pet is used for commercial breeding (this means used for breeding more than 2 times in the pet’s lifetime) or as a business or to make money or earn an income.
• No pet is less than eight weeks old when its cover starts.

Dogs only

• No dog has been the cause of an accident or legal action, or had any complaints made about its behaviour (aggression, biting, attacking) (unless we have agreed to provide cover)
• No dog is trained to attack, used for security purposes or as a guard dog or is used for fighting or any form of racing.
• No dog is a pedigree, cross or mixed breed of any of the following: Pit Bull, Pit Bull type, Japanese Tosa, Fila Brasileiro, Dogo Argentino, American Bulldog, Wolf or Wolf hybrid or of any breed not on our breed list unless we have agreed to cover it.

Changes in the information we have about you and your pet

You must tell us within 30 days of knowing about any of the following changes. These changes may affect the price of your pet insurance and the cover we can provide. If we are not told, your claim payment may be reduced or not be made. Your policy may be cancelled; and you may not receive a refund of premium.

About you and your pet

• you are going to move home;
• you are no longer the owner of the pet;
• your pet stops living with you at your home;

Dogs only

• your pet is used for racing;
• your pet has had complaints made about its behaviour (aggression, biting or attacking);
• your pet has been the cause of an accident or legal action;
• your pet has been trained to attack;
• your pet is used for security purposes or as a guard dog or for fighting.

Both dogs and cats

• your pet is used as a business or to make money or earn an income;
• your pet is used for commercial breeding (this means used for breeding more than 2 times in the pet’s lifetime);
• you become aware that your pet is not the breed you thought and it is no longer correctly described on your schedule.

Fraud

If dishonesty, exaggeration or false documentation is used by you and your family or anyone acting on behalf of you or your family to obtain or support:
• a claims payment under your policy; or
• cover for which you do not qualify; or
• cover at a reduced premium;
all benefits under this policy will be lost, the policy may be invalid, you may not be entitled to a refund of premium and legal action may be taken against you.

Financial sanctions

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue. If any such resolution, sanction, law or regulation takes effect during the policy period we may cancel this policy immediately by giving you written notice at your last known address.
Adding or removing a pet
You may add or remove a pet from your policy at any time, subject to our agreement, and we may charge you for this change.

Policy payments
If you pay annually, you will need to ensure that your premium is paid. If you decide to pay your premium in monthly instalments we continue to take payments unless you tell us to stop.

If we cannot collect an instalment payment a default letter will be sent to you, telling you that payment can’t be made and giving you at least 17 working days notice of the final date by when we need to receive your payment or new payment instructions.

The default letter will also tell you that if a payment/new instruction aren’t received by this date your policy will be cancelled. If it is we notify you in writing that the cancellation has taken place.

Each year we write to you before the renewal date of your policy to let you know about any changes to your premium or policy terms.

If you want to cancel payment by monthly instalments but not your policy, we can tell you how much you have to pay for the rest of the policy period. If this amount is not paid by the date given in our reply to you, then all cover under your policy will be cancelled from this date.

Changing cover levels
If we agree to a change in your vet fees cover level, the change will apply from the renewal date of your policy and will only apply to new illnesses or accidents after the renewal date.

Changing your policy and premium
At renewal your excess, policy benefits and terms and conditions can alter. The price of your insurance will rise at renewal as your pet gets older. In fact our claims data shows that the cost of looking after your pet’s health doubles every four to five years. A claim being paid can cause your renewal price next year to double. This is because the likelihood of a claim increases with age and previous claims. We will tell you about any proposed changes to your policy in advance of your renewal date. It’s important you budget for renewal prices to increase as your pet gets older. How much they go up is different for everyone and depends on things like your pet’s breed, their age and health, and there is no limit to how much your renewal price can increase over time. If you are not happy with the proposed changes you may cancel your cover. Your excess may increase when your pet turns 8.

Conditions that apply to claims
These are the claims conditions that you need to keep to as your part of this contract. If you don’t, a claim may be rejected or payment could be reduced.

Other Insurance
We won’t make any payment for any claim that results from an incident covered by other insurance, except as set out under Third party Liability.

Claim negotiation
You mustn’t settle, reject, negotiate or offer to pay any Third Party Liability claim you made or intend to make under this policy without our written permission.

Referral vet visits
If your pet needs to be treated by a referral vet, your usual vet will let you know which referral vet from our preferred referral network is closest to you. If you choose a referral vet from outside our network, you will need to pay £200 of the referral vet bill yourself. This amount is in addition to your policy excess.

If your pet needs emergency treatment for a situation that if not resolved immediately will lead to a loss of life or cause a serious threat to the present or ongoing health of your pet you will not have to pay the additional £200 excess regardless of which referral vet you visit.

Details of the vets in our preferred referral network can be found on www.tescobank.com/pet.
If you need help or advice about which vet to visit, please contact the Tesco Vet Referral line on 0330 100 6460 before an appointment is made.
Transferring rights

It is our right, if we choose, in your name but at our expense to:

• take over the defence or settlement of any claim;
• start legal action to get compensation from anyone else;
• start legal action to get back from anyone else any payments that have already been made.

You must help us to take legal action against anyone or help us defend any legal action if we ask you to. You can’t transfer your interest in this policy to anyone else without our permission.

Care of your pet

It is your duty as the owner of your pet to manage your pet’s weight by taking advice and making yourself aware of the acceptable weight range for your pet at the various stages of its life, you must take steps to prevent or reduce the increased health risk that being overweight or underweight can bring. If you need help or advice contact vetfone on 0800 197 4949 or ask your vet.

You must take care of your pet at all times and take all precautions where possible to prevent illness or injury. You must arrange for a vet to examine and treat your pet as soon as possible after it shows signs or symptoms of illness or injury.

We aim to resolve your concerns on an informal basis, within three business days. Where we have been able to, we will send you a letter confirming this. We’ll also explain how you may be able to refer the matter to the Financial Ombudsman Service if you subsequently decide that you are unhappy with the outcome.

Step Two

In the unlikely event that we are unable to resolve your concerns through our informal complaints process, our Customer Relations Team will then review the matter on behalf of our Chief Executive.

Once our Customer Relations Team have reviewed your complaint they will send you a final decision in writing within 8 weeks of the date we received your complaint.
